Boundaries.

The boundaries of the said State Forest after disafforestation of the area stated above do not alter since the area proposed to be disafforested forms an enclosure within the State Forest and therefore the boundary line will be the same as described in the Government Notification referred to above.

The description of the boundaries for the area to be disafforested is noted below : —

North.—Starting from a point on the common boundary between Nagavalli and Hanjala (of North Canara) about 52 chains (Gunter's chain 66'.) North-west from the trijunction bandhs of Nagavalli, Hasarvalli and Hanjal (North Canara) villages, the line runs north-east through Survey No. 92 of Nagavalli for about 57 chains where it meets the north-west corner of Survey No. 93 of Nagavalli Village; then in the same direction for about 87 chains through Survey Nos. 92 and 91 of the said village until it touches the western boundary of Survey No. 24 of Nagavalli at a point about 37 chains north-west form the north-west corner of Survey No. 15 of the same village; then passing through Survey No. 24 of Nagavalli in the same direction for about 65 chains it meets the north-west corner of Survey No. 76 of the same village.

East and South.—Eastern and southern boundary lines of enclosure No. 11.

West.—From the trijunction bandhs of Nagavalli, Hasaravalli and Hanjala (North Canara) villages, the line runs north-west along the common boundary between Nagavalli and Hanjala for about 52 chains where it meets the starting point.
